

# Project Information Request Form

# Project Information Request Form

Alumi Shield™

Purpose of form:

To be used by Dulux Accredited Powder Coaters to request additional project information from architects, builders, fabricators, asset owners or other parties involved in the project requiring an Alumi Shield™ warranty. This information can be collected and entered into warranty applications on the Powder Portal when required. This form cannot be used as a warranty application.

## 1. Powder Coater requesting information (Powder Coater to complete)

This Dulux Alumi Shield™ warranty application is being made by the following Dulux Accredited Powder Coater.

### 1.1 Business Name

### 1.2 Address

Street

Suburb

State

Postcode

### 1.3 Completed by

Name

Email

Phone

## 2. Project contact details

Project information in this form has been provided by:

### 2.1 Name

### 2.2 Business Name

### 2.3 Address

Street

Suburb

State

Postcode

Country

### 2.4 Email

### 2.5 Phone

## 3. Project information

Please complete the project name and address:

Each Dulux Alumi Shield™ Warranty is attributable to a project and a location. The project name must detail that location and building/item. This information is critical to identify the project and the warranty, eg Canberra Hospital, Block A.

Please note this cannot be a fabricator or a builder business name.

### 3.1 Project Name

### 3.2 Address

Street

Suburb

State

Postcode

Country

## 4. Additional project information

### 4.1 Project value:

Under \$5 million    \$5 - \$20 million    \$20 - \$50 million    \$50 - \$200 million    Over \$200 million    Unknown

### 4.2 Estimated Project Start Date

### 4.3 Dulux Specification (optional)

If you have received a Dulux Duspec Specification for this project please detail the specification reference number below:

#### Specification number

If you require a specification speak to your Dulux Account Manager or call the Dulux Powders Advice Line. Our dedicated consultants can help simplify the specification process, saving you time and money by providing the right coating advice for your project. Call 13 24 99 or visit [duluxpowders.com.au](http://duluxpowders.com.au)

If this is a BCI project, please detail the BCI Project ID Number (optional).

### 4.4 BCI Project ID

## 5. Project Type

### 5.1 Please select which project type the Powder Coating is for:

						
Non-habitable	Residential ←4 Levels	Residential →3 Levels	Light Commercial ←4 Levels	Commercial →3 Levels	Prestigious Commercial	Monumental

### 5.2 Select below the substrate material being coated:

Extruded  
Aluminium

Sheet  
Aluminium

Perforated  
Aluminium

Expanded  
Aluminium

### 5.3 Select below the substrate material being coated (Powder coater to complete):

Windows

Louvres

Doors

Balustrades

Cladding

Decorative Sheet

Other

For 'Other', please add a detailed description:

## 6. Location:

### 6.1 Select below the site location:

If you are unsure please refer to the Alumi Shield™ documentation, visit [duluxpowders.com.au](http://duluxpowders.com.au), speak to your Dulux Account Manager or call the advice line on 13 24 99.

Exterior			
<b>Mild - Low C2</b>  Example environments: Arid, urban, inland, city,	<b>Mild - Medium C3</b>  Light Industrial, geothermal (>500m from source) <sup>1</sup> and inland coastal (mild sea spray zone)	<b>Severe - High C4</b>  Sea shore (medium sea spray zone), offshore Islands <sup>3</sup> and or geothermal (<500m from source) <sup>2</sup>	<b>Severe - Very High Marine &amp; Industrial C5</b>  Sea shore (high sea spray zone eg. surf), offshore Islands <sup>3</sup> and heavy industrial

<sup>1</sup> Geothermal environments greater than 500m of a bore, mud pool, steam vent, or other source with a pH between 5 and 9. For a pH outside this consult Dulux.

<sup>2</sup> Geothermal hot spots within 500m of a bore, mud pool, steam vent, or other source.

<sup>3</sup> All offshore islands including Waiheke Island, Stewart Island, K'gari (Fraser Island) and Pacific islands eg PNG, Fiji, Samoa, Tonga, Tahiti, Noumea

### 6.2 Select the proximity of the site to coastal, river and lake salt water environments:

Less than 10m from high tide

Between 10 and 100m from high tide

More than 100m from high tide

Interior			
<b>General Interior Very low C1</b>  Dry interiors (homes, offices, shops)	<b>General Interior Low C2</b>  Minor condensation (warehouses, sports halls)	<b>Moderate Interior Medium C3</b>  High moisture (dairy and food processing plants, breweries, and commercial laundries)	<b>Moderate Interior High C4</b>  Significant contamination (swimming pools)

## 7. Proximity to liquids

### 7.1 Is the powder coated asset near any liquids other than the coastal, river and lake salt water environments?

Chemically treated

Clean tap, fresh  
or potable water

Salt water

Other (describe)

N/A

For other please add detailed description:

### 7.2 Select the proximity to these liquids:

Less than 1m from the liquid

1m to 2m from the liquid  
(ie outside the splash zone)

Greater than 2m from the liquid

## 8. Alumi Shield™ Warranty being applied for

8.1 Alumi Shield™ warranty durations are indicated below:

	Warranty	Duralloy	Protecture	Sublcoat	POP	Precious	Duratec	Electro	Fluoraset
<b>Alumi Shield™ Warranty</b>	Aluminium Durability	10 Years	15 Years	15 Years	25 Years	10 Years	25 Years	25 Years	35 Years
	Aluminium Colour	10 Years	15 Years	N/A	20 Years	10 Years	20 Years*	15 Years	30 Years

\*Excludes Intensity – 15 Years

8.2 Please select your product choice:

	Duralloy Solid Colour	Protecture	Sublcoat	POP	Precious	Duratec Elements	Duratec Eternity	Duratec Intensity	Duratec Zeus	Electro	Fluoraset Allure	Fluoraset Xtreme
<b>Look</b>	Solid colour	Textured	Sublimation look	Wood grain look	Pearlescent	Textured	Pearlescent & metallic	Bright colour	Solid colour	Anodised Look	Pearlescent	Solid colour

### 8.3 Colour choice

You may add up to 4 colours from the same product range in this warranty application. Colours in different product ranges will need a separate application.

#### Colour 1 details:

Please detail if chosen colour is a stock line from our range (this will be detailed on your price list) or is a made to order line.

Stock Line                  Custom Colour

Please detail the chosen colour and product code.

##### 8.4.1 Colour Name

##### 8.4.2 Product Code

#### Colour 2 details:

Please detail if chosen colour is a stock line from our range (this will be detailed on your price list) or is a made to order line.

Stock Line                  Custom Colour

Please detail the chosen colour and product code.

##### 8.4.1 Colour Name

##### 8.4.2 Product Code

#### Colour 3 details:

Please detail if chosen colour is a stock line from our range (this will be detailed on your price list) or is a made to order line.

Stock Line                  Custom Colour

Please detail the chosen colour and product code.

##### 8.4.1 Colour Name

##### 8.4.2 Product Code

#### Colour 4 details:

Please detail if chosen colour is a stock line from our range (this will be detailed on your price list) or is a made to order line.

Stock Line                  Custom Colour

Please detail the chosen colour and product code.

##### 8.4.1 Colour Name

##### 8.4.2 Product Code

## 9. Other Parties involved in the Project

Please detail below all parties involved in this project where applicable:

### 9.1 Fabricator:

Company Name

Main Contact

Phone Number

Email Address

---

### 9.2 Aluminium Supplier:

Company Name

Main Contact

Phone Number

Email Address

---

### 9.3 Builder or Developer:

Company Name

Main Contact
